

Members Directory of the Iona Community

As you will be aware, 2013 was the last year that we will produce a printed directory of names and addresses of Members and Associate Members of Community. The Prayer book will continue to be produced. Members and Associate Members will be able to search the Members Directory on the website when they need information. You will also be able to amend your own details, which will mean that the information will be as up to date as possible.

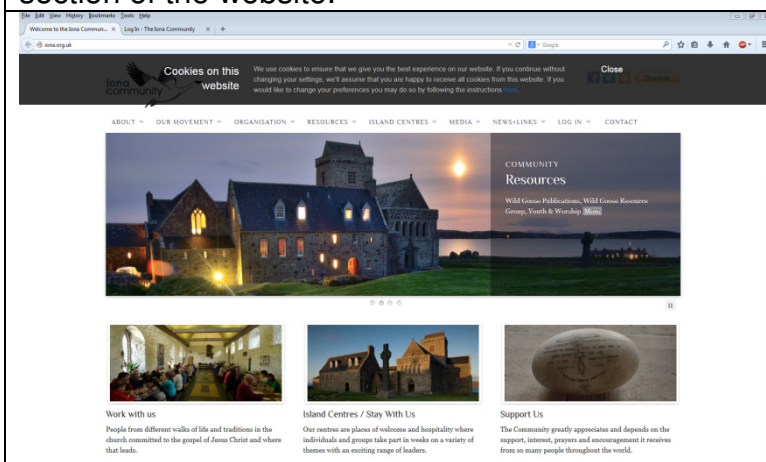

In order to do this you will first need to register on the Website.

To register, go to the Iona Community website, www.iona.org.uk, and click on Login then click on the link under Register to join us and fill in the requested details.

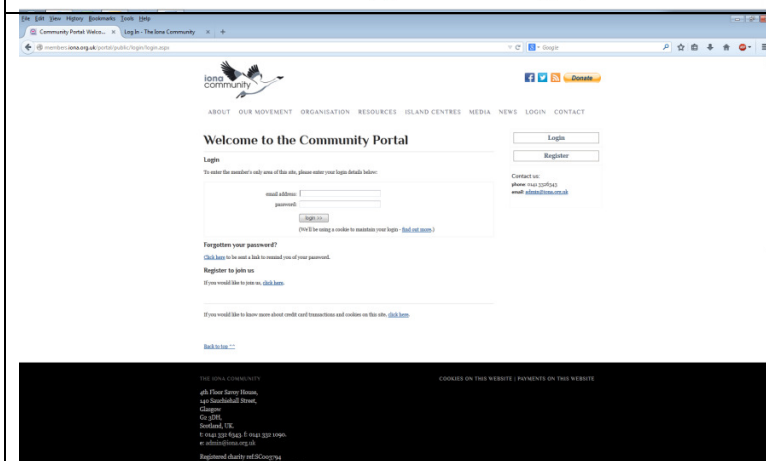

Once you have submitted the form, it will take up to 5 working days for us to confirm your web membership.

After your registration has been confirmed you will be able to log in to the Associate Members section of the website.

If, when you reach the home page of the Community Website (Iona.org.uk) you see a message about accepting cookies, please note that you must accept cookies in order to proceed. Click close to do so
