

## The Iona Community Shop

### A Warm Hello from the Iona Community Shop!

Although our dream of having an online popup shop for you to browse through this December has been placed on hold until the new year, we thought you might like the opportunity to shop from themed catalogues featuring some of our items over the winter months. And, of course, you can enquire about other stock at any time.

This week's **calendar** offerings will help you get organised in 2021!

To order, email Lyn at [shop.manager@iona.org.au](mailto:shop.manager@iona.org.au) or phone 01681 700 404 – see [further information](#) on how and **when** to order at the end of the listings, as the shop is closed from 19<sup>th</sup> December - 6<sup>th</sup> January.
